

Students

Online Course Tour for Students

In its entirety, the series of videos below will help you understand how to navigate within WorldClassRoom and your online course, configure your personal profile and notification settings, and utilize each of the course tools to engage in your course.

There are twelve individual videos contained within the video embedded below. They are configured as a playlist and will automatically progress to the next video in the sequence.

However, if you wish to view or review any of the videos separately, click the drop down list at the top left of the video in the black bar. This will display each of the twelve videos from which you can select individually.

A transcript of the full video is [available here](#). To view these videos with Closed Captioning [click here](#).
