

WorldClassRoom (Canvas)

Turnitin - Students

Turnitin is a software that is integrated into WorldClassRoom and can be used by instructors to check for potential plagiarism on an assignment. Not every assignment will have Turnitin enabled.

Please review the Canvas guides below for additional details:

- [How do I submit a Turnitin assignment?](#)
- [How do I view Turnitin results for my assignment submission?](#)

Unique solution ID: #1359
